DANCESTAR OPENSTYLE BATTLE

supporting creativity, expression and individuality of our dancers!

Dancestar Openstyle Battle Qualifier will be held in Ljubljana on the 4th of April.
Beginning at 7pm @ Gospodarsko Razstavišče event hall.

Openstyle Battle is a great platform for DanceStar dancers who love to freestyle and who love to express themselves with improvisational dance. This challenge will be open to all Senior dancers regardless of their style and discipline, who are registered as DanceStar dancers. So, whether you usually compete in DanceStar Classical, Open or Urban Chapter, you are all very welcome! :)

Judges from different dancing backgrounds will look for the dancers, who can best adapt their skills and freestyles to any style of music.

PRESELECTION

From the time registration will be available, we will choose 15 dancers from Classical, 15 from Open and 15 from Urban Chapter who will sign in – so all together 45 dancers who will not only represent themselves, but also their country. If there will be more than 15 dancers in some chapters, we will make a waiting list. If for some reason any of the Chapters will not provide us with 15 dancers, we'll sign in the dancers from the waiting lists.

When signing in, dancers will have a chance to select the style of music for their freestyles so they can present themselves in the best way possible.

All 45 dancers will have the chance to make their improvisations on stage – 45 seconds for each freestyler.

Judges will then choose 8 dancers for the final challenge.

FINAL CHALLENGE

*Dancers please be aware that the music played in the finals will be different in style so you should be able to adapt your skills to it.

Chosen 8 dancers will enter the battles 1 on 1. Each dancer will have two entrances, 1 min each.

Only 4 winners will enter the next round 1 on 1. Each dancer will have two entrances, 1 min 30 seconds each.
